Body Style:

Board mounted

Overall Height:

31.77 millimeters

Overall Width:

45.21 millimeters

Product Name:

Square basket heat sink

Special Features:

Finish: anodize, thermal resistance 6.0, thermal resistance value is based on a 75 degree c rise in natural convection.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
