Overall Height:

0.93 inches

Mounting Device Quantity:

1

End Application:

5895-01-616-2576

Mounting Method:

Screw

Accommodation Hole Width:

0.68 inches

Product Name:

Ground clamps

Special Features:

Csa certified; unlisted for direct burial installation

Material:

Copper body

Style Designator:

Hex head setscrew ground rod clamp

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02000
