**Overall Width:**

Between 0.011 inches and 0.013 inches

**Overall Diameter:**

Between 0.370 inches and 0.380 inches

**End Application:**

Rack mounted electrical equipment

**Product Name:**

Contact strip electrical binding corner washer

**Special Features:**

Tin plate 0.0003 to 0.0005 thick finish

**Material:**

Copper body

**Material Specification:**

Mil-b-5087-81349 military specification single material response body

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A222a0

**Mil-std (military Standard):**

Mil-b-5087-81349 spec.
