End Application:

Kc-46

Product Name:

Contact, electrical

Special Features:

Kc-46 support equipment

Material:

Nickel contact

Precious Material:

Gold

Supplementary Features:

Circular military specification contacts iii size 8 quadrax socket female

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0

Mil-std (military Standard):

spec.
