Cable Entrance Diameter:

Between 0.22 millimeters and 0.35 millimeters

End Application:

5895-01-627-0485

Mounting Facility Quantity:

1

Current Rating In Amps:

20.0

Mounting Method:

Force fit

Special Features:

Operating temp is minus 40.0 to 125.0 degrees celcius.

Material:

Tin alloy and copper alloy body and contact

Surface Treatment:

Tin body and contact

Style Designator:

Pin contact

Terminal Type And Quantity:

1 crimp end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
