Cable Entrance Diameter:
Between 0.22 millimeters and 0.35 millimeters
End Application:
5895-01-627-0485
Mounting Facility Quantity:
1
Current Rating In Amps:
20.0
Mounting Method:
Force fit
Special Features:
Operating temp is minus 40.0 to 125.0 degrees celcius.
Material:
Tin alloy and copper alloy body and contact
Surface Treatment:
Tin body and contact
Style Designator:
Pin contact
Terminal Type And Quantity:
1 crimp end opposite contact
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A222a0
