Optical Fiber Type:

Multimode

Conductor Quantity:

2

Product Name:

Fibre optic multimode om2 patch cable

Special Features:

Bend radius in millimeters 40.0; cable diameter in millimeters 2.8; cable type low smoke zero halogen; length in meters 2.0; fibre optic cable

Material:

Plastic core cover cable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A077a0
