Special Features:

Breakout cable; 26 fibers; 10.5 mm o.D. (outer cable jacket); 50/125 graded index multimode fiber; 4.0 db/km nom attenuation, 5.0 db/km max; 200mhz; 850 nm wavelength; performance has been verified in accordance with the attenuation measurement and shielded enclosure testing requirements of mil-std-285 and nsa 65-6

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
