Overall Length:

3.20 feet

Optical Fiber Type:

Multimode

Termination Type:

Connector plug both ends all conductors

Conductor Quantity:

4

Product Name:

Duplex fiber optic patch cord

Conductor Arrangement And Quantity:

2 twin-axial parallel

Special Features:

Fiber compatibility: om1 62.5/125um multimode; fiber cable size: 3.0mm; fiber cable type: jacketed; connector 1 and 2 type: sc connectors; flammability rating: rise (ofnr)

Style Designator:

Dual jack

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A077a0
