Cross Section Outside Diameter: 3.0 millimeters Optical Fiber Type: Multimode Termination Type:
3.0 millimeters Optical Fiber Type: Multimode Termination Type:
Optical Fiber Type: Multimode Termination Type:
Multimode Termination Type:
Termination Type:
Connector external straight all ends all conductors
Conductor Quantity:
2
Product Name:
Sc to sc patch cord
Special Features:
Fiber compatibility om1 62.5/125um, multimode; boot color electric ivory
Style Designator:
External connectors
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A077a0
