End Application:

E-3g awacs

Optical Fiber Type:

Multimode

Conductor Quantity:

24

Product Name:

24 fiber mdp interlocking armor

Special Features:

Fiber type is 62.5/125 multimode, side a and side b each have 2 mtps (no pins), length of cable is 10 feet, polarity is straight through-blue fiber is in pos 1 on side a and b

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
