Overall Length:

3.100 inches

Overall Height:

1.500 inches

Overall Width:

1.000 inches

End Application:

Anbqq-1 (v) control display work station unit 4001

Current Rating:

90.000 milliamperes

Voltage In Volts And Current Type:

5.5 ac-peak

Product Name:

Ruggedized multimode fiber optic switch

Special Features:

2.4mm jacket; terminated with st connectors; shock mounted; 70cm pigtail length; sealed ruggedized housing; switching time less than 15ms; 4 ports; 4 no. 3-48 socket head bolts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
