Overall Length:

4.750 inches

Overall Height:

1.670 inches

Overall Width:

3.420 inches

End Application:

E/i as-4596/usq-16 (v) (94987) , antenna

Special Features:

Mfg name: ethernet 3 port switch with "st" style multimode fiber optic port; rj45 to 100 megabit multimode st fiber converter, up to 2 km;
operating temp range: -40 to 85 degrees c; dc powered

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
