Overall Length:

5.750 inches

Overall Height:

1.625 inches

Overall Width:

2.625 inches

End Application:

Video transmitter

Special Features:

Single channel; full color transmission; operating temperature-minus 20 degrees c to 70 degrees c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
