Overall Width:

96.0 millimeters

Fragility Factor:

Delicate

Voltage In Volts And Current Type:

40.0 ac

General Description:

Avariable speed chopper unit, composed of a motor drive, chopper unit, composed of a motor drive, chopper blade, blade guard, control unit and ttl compatible reference output for synchronization

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
