Overall Length:

4.600 inches

Overall Height:

1.900 inches

Overall Width:

3.300 inches

End Application:

General telecom cable equipment, fluke electronics corp

General Description:

Operating temp 0 degrees c to plus 40 degrees c; transmitter - emitter type led, wavelengths 850 nm and 1300 nm; receiver - calibrated wavelength 850 nm, 1300nm, 1310nm and 1550nm, measurement range 0 dbm to minus 40 dbm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
