Overall Length:
4.600 inches
Overall Height:
1.900 inches
Overall Width:
3.300 inches
End Application:
General telecom cable equipment, fluke electroncs corp
General Description:
Moperating temp 0 degrees c to plus 40 degrees c; transmitter - emitter type led, wavelengths 850 nm and 1300 nm; receiver - calibrated
wavelength 850 nm, 1300nm, 1310nm and 1550nm, measurement range 0 dbm to minus 40 dbm
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A23900
