Overall Length:

4.120 inches

Overall Height:

1.000 inches

Overall Width:

3.750 inches

Wattage Rating:

6.000 watts

Voltage In Volts And Current Type:

12.0 dc

Product Name:

Utp to fiber sc ethernet media converter

General Description:

W/sc fiber connector; op temp 0 to 50 degrees c; external power supply; supplied w/european power cord

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
