Overall Length:

16.750 inches

Overall Height:

5.250 inches

Overall Width:

13.750 inches

Product Name:

Fiber optic multiplexer

General Description:

1310nm, sm/mm/13db, redundant power supply 115/230vac; low power laser diode with 1300nm transmitter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
