Overall Length:

17.250 inches

Overall Height:

1.700 inches

Overall Width:

8.500 inches

End Application:

7010-01-391-0168.

General Description:

Voltage range: 90 to 132 vac or 180 to 264 vac; frequency range: 47 to 63 hz; max current rating; .5a at 115v or 2.5a at 230v; environmental

operating range: temperature 32 degrees f to 122 degrees (o to 50 c) ; relative humidity: 10% to 80% non-condesing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
