Overall Height:

2.500 inches

Overall Width:

3.800 inches

Wattage Rating:

25.000 watts

Voltage In Volts And Current Type:

220.0 ac

Special Features:

Half or duplex operation; pwr, jab, col, rx, pol, link indicators; connects fiber to a hub or workstation; utp to multimode

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
