Overall Length:

2.670 inches

Overall Height:

0.950 inches

Overall Width:

1.050 inches

End Application:

Misc parts command x surveil lhd 0008

Current Rating:

50.000 milliamperes

Wattage Rating:

0.750 watts

Voltage In Volts And Current Type:

13.5 dc

Special Features:

Transmits a single channel of baseband composite video up to 3.2 miles (5.2 km) over a single multimode fiber

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
