Overall Width:

7.000 inches

Product Name:

Fast ethernet 32bot fiber nic adpt

Special Features:

8l x 5w x 1h inchs. Fast ethernet cabling type ethernet 10 base fl, ethernet 100 base fx. Data transfer rate 100 mbps. Network/transport protocol tcp/ip. 1x pci compatible slots. Min operating temp 32 degree f. operating temp 122 degree f. Humidity range operating 8 to 80 percent. Lan pci fiber ethernet card. 32 bit pci

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
