**Overall Length:**

2.230 inches

**Overall Height:**

0.489 inches

**Overall Width:**

0.583 inches

**Product Name:**

Wavelength sfp transceiver

**Special Features:**

Operating temperature range: -40c to 85c; up to 2.125 gb/s bi-directional data links; metal enclosure, for lower emi; single 3.3 v power supply.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A23900
