Overall Length:

2.230 inches

Overall Height:

0.489 inches

Overall Width:

0.583 inches

Product Name:

Wavelength sfp transceiver

Special Features:

Operating temperature range: -40c to 85c; up to 2.125 gb/s bi-directional data links; metal enclosure, for lower emi; single 3.3 v power supply.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
