Product Name:

Light source 4, 400 footcandles of visible output at 14 in. Working distance

Special Features:

Up to 4, 400 footcandles of visible light output at 14 in working distance; variable voltage intensity -zero to 4, 4000 footcandles saves bulb life; variable iris intensi type 150 watt power source; automatic silent cooling fan with built in safety shut off; soft start circuit to maximize bulb life; easy open bulb change lever, built in composite sensitive filter; footprint size is 6 1/2 x 7 3/4 in. 7 lbs; ul and csa certified

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
