Overall Length:

5.600 inches

Overall Height:

1.400 inches

Overall Width:

2.800 inches

End Application:

Fiboptsystem

Special Features:

Power requirements-two aa-size alkaline batteries/24 hrs continuous operation; operating temp minus 15 degrees c to plus 55 degrees c; weight 7.5 oz; cdrh laser class-class i; name on tech data-aerospace certified 1300nm led source

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
