Body Style:

Straight shape, fiber optic

End Application:

F/a-18e/f; cable assemblies

Features Provided:

Emi filter and captive contact

Product Name:

(inavy)connector, electrical, aircraft material

Special Features:

Connector, electrical, plug, high precision, mil-dtl-38999 series iii type; fiber optic cable applications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
