**Body Style:**

Straight shape, round

**Mating End Quantity:**

4

**Shell Surface Treatment:**

Cadmium

**Product Name:**

38999 fiber optic close-tolerance connector

**Special Features:**

Shell finish: olive drab cadmium over electroless nickel; shell style: plug; insert type: pin insert

**Supplementary Features:**

Composite thermoplastic shell materials; 4 channel; environmentally sealed

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A039b0
