Fiber Optic Receptacle Connector - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/6060-01-605-3596>

**Body Style:**

Straight shape, round

**Mating End Quantity:**

4

**Shell Surface Treatment:**

Cadmium

**Product Name:**

38999 fiber optic close-tolerance connector

**Special Features:**

Shell finish: olive drab cadmium over electroless nickel: shell style: plug; insert type: socket insert

**Supplementary Features:**

Composite thermoplastic shell materials: 4 channel: environmentally sealed

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A039b0
