Fiber Optic Receptacle Connector - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/6060-01-605-3596>

Body Style:

Straight shape, round

Mating End Quantity:

4

Shell Surface Treatment:

Cadmium

Product Name:

38999 fiber optic close-tolerance connector

Special Features:

Shell finish: olive drab cadmium over electroless nickel: shell style: plug; insert type: socket insert

Supplementary Features:

Composite thermoplastic shell materials: 4 channel: environmentally sealed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
