Fiber Optic Receptacle Connector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6060-01-605-3599

Body Style:
Straight shape, round
Mating End Quantity:
4
Shell Surface Treatment:
Cadmium
Product Name:
38999 fiber optic close-tolerance connector
Special Features:
Shell finish: olive drab cadmium over electroless nickel; shell style: plug; insert type: pin insert
Supplementary Features:
Composite thermoplastic shell materials; 4 channel; environmentally sealed
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
A039b0
