Body Style:

Straight shape, round

Mating End Quantity:

4

Shell Surface Treatment:

Cadmium

Product Name:

38999 fiber optic close-tolerance connector

Special Features:

Shell finish: olive drab cadmium over electroless nickel; shell style: plug; insert type: pin insert

Supplementary Features:

Composite thermoplastic shell materials; 4 channel; environmentally sealed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
