Body Style:

Angle shape

Overall Diameter:

1.050 inches

Body Angle In Deg:

45.0

Mating End Quantity:

1

Contact Position Arrangement Style:

Nonstd single mating end

Distance From Centerline To Connector End:

2.390 inches

Distance From Centerline To Cable End:

3.580 inches

Product Name:

Connectors, fiber optic, circular, plug style

Special Features:

Connection type: simplex; body/shell style: plug; coupling type: threadedshell size: 13; color band eia-359: yellow: weight: 11.5 ounces

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
