End Application:

Cheyenne min complex 427 m

Component Document Origin:

Industrial

Document Source:

1x101

Document Type:

Mfr catalog

Usage Design:

Icp-r

Special Features:

Breakout kit/connectors not included. Permit separation/protection of indiv. Fiber elements and installation of 4 - 8 fiber cables. Breakout for 1 cable end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23800
