Unit Package Quantity:

1

Component Quantity:

211

Component Document Origin:

Industrial

Document Source:

64959

Document Type:

Catalog sheet

Component Document Page Number:

9-5

Package Model Number:

D-181699

Disposition After Initial Use:

Disposable

Document Identification:

105276810

Usage Location:

Communications zone

Special Features:

Kit contains 60 rotary ferrules, 25 red prptector tips, 125 clear strain reliefs (pvc tubes), and 1 razor blade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23800
