Body Width:

3.000 inches

Body Height:

3.000 inches

Mounting Configuration:

Two 0.144 in. Diameter mtg holes spaced 1-23/32 in. C to c

Special Features:

Surface treatment: alodized

Material:

Aluminum

Material:

Aluminum

Surface Treatment:

Alodized

Fsc Application Data:

Motor, electrical, aircraft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T23700
