Overall Height:

Between 0.088 inches and 0.090 inches

Overall Diameter:

Between 1.850 inches and 1.851 inches

Mounting Configuration:

Four mtg holes equally spaced

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8, alloy 6061, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A537s0
