Diameter:

0.552 inches

Thickness:

0.032 inches

Machined Surface Finish:

Semismooth

Material:

Plastic

Material Specification:

Mil-p-15035, type fbe military specification single material response

Fsc Application Data:

Motor, direct current

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539r0

Mil-std (military Standard):

Mil-p-15035 spec.
