Overall Height:

2.220 inches

Overall Length:

3.000 inches

Winding Type:

Permanent magnet

Mounting Method:

Flange

Torque Rating And Type:

35.0 inch-ounces stalled

Features Provided:

Vertical mounting position and frame electrically grounded and horizontal mounting position

Connection Type And Voltage Rating In Volts:

4.3 line to neutral single input

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A271a0
