End Application:

Fan, vaneaxial, front end, fscm 95402

Nema Frame Identifying Number:

210

Material:

Aluminum alloy 356.0

Material Specification:

Qq-a-601, alloy 356, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A537s0
