**Overall Length:**

1.818 inches

**Overall Width:**

0.750 inches

**Duty Cycle:**

Continuous

**Winding Type:**

Compound wound

**Mounting Method:**

Clamp ring

**Cooling Method:**

Oil

**Current Rating Method:**

No load

**Torque Rating And Type:**

1.3 inch-ounces running

**Features Provided:**

Vertical mounting position

**Current Rating In Amps:**

0.075 single input

**Connection Type And Voltage Rating In Volts:**

28.0 line to neutral single input

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A271a0
