**Overall Height:**

3.620 inches

**Overall Length:**

11.250 inches

**Overall Width:**

3.250 inches

**Shaft Diameter:**

1.125 inches second end

**Inclosure Feature:**

Totally enclosed

**Mounting Method:**

Pad

**Mounting Facility Type And Quantity:**

1 clamp collar

**Storage Type:**

General purpose warehouse

**Length Of Shaft From Housing:**

1.000 inches second end

**Connection Type And Voltage Rating In Volts:**

16.960 line to line single output

**Shaft End Characteristic:**

A1 single style second end

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A271a0
