Inclosure Feature:

Totally enclosed

Specific Use:

Fan, vaneaxia (4140-00-001-8404)

Storage Type:

General purpose warehouse

Cooling Method:

Ambient air

Shaft End Characteristic:

A2 single style single end

Phase:

Three input

Special Features:

This item consists of a 3-phase induction motor, inverter, and connecting cable

Terminal Type And Quantity:

2 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A271a0
