Overall Length:

16.400 inches

Overall Width:

9.050 inches

Current Type:

Ac input

Mounting Method:

Face and fixed base

Control Field Winding Type:

Two windings, series connected

Length Of Shaft From Housing:

16.400 inches single end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A271a0
