Overall Height:

13.480 inches

Overall Length:

9.350 inches

Overall Width:

9.240 inches

End Application:

Valve actuator

Product Name:

Ms12q electric actuator assembly

Special Features:

Basic operator ms12; made up of p/ns 12270-c28-100 and 12270-228-100

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A271a0
