Overall Height:

6.320 inches

Overall Width:

7.620 inches

End Application:

2320-01-318-9902 het (heavy equipment transporter)

Inclosure Specificationification:

Commercial

Connection Type And Voltage Rating In Volts:

24.0 line to line high input

Product Name:

Blower, dual machine

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A271a0
