End Application:

Food processor fp350

Inclosure Feature:

Totally enclosed

Mounting Method:

Face

Inclosure Specificationification:

Commercial

Connection Type And Voltage Rating In Volts:

120.0 line to neutral single input

Shaft End Characteristic:

A3 single style single end

Product Name:

Inavy)motor-gea (120v) fsg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A271a0
