End Application:

Model m802 mixing machine food, electric

Duty Cycle:

Continuous

Inclosure Feature:

Totally enclosed

Mounting Method:

Face

Inclosure Specificationification:

Nema

Frame Size Designation:

0.182t

Tempurature Rating:

40.0 ambient degrees celsius

Product Name:

Motor

Special Features:

460v 60hz 3ph 3hp electrical code h; motor m802 series illus. PI-55688 no. 15; insulation class f; 2.64kw; tefc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A271a0
