Alternating Current Motor - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6105-01-537-7298

### **Overall Length:**

20.380 inches

#### **Overall Width:**

9.000 inches

## **Special Features:**

Performance at rated voltage and frequency, 873 high efficency, 86 hig h power factor

## Shelf Life:

N/a

# Unit Of Measure:

---

## Demilitarization:

No

#### Fiig:

A271a0
